- Abcourt has achieved a significant improvement in its working capital for the period ended December 31, 2024, with a negative working capital of \$284,665, compared to negative working capital of \$4,947,411 as at June 30, 2024.

Non-IFRS Measure

This press release presents working capital as a performance measure which is non-International Financial Reporting Standards (IFRS) performance measure. The Corporation believes that this measure provides investors with an improved ability to evaluate the performance of the Corporation. Non-IFRS measures do not have any standardized meaning prescribed under IFRS. Therefore, such measures may not be comparable to similar measures employed by other companies. This data may not be comparable to data presented by other companies. Non-GAAP financial performance measures should be considered together with other data prepared in accordance with IFRS.

The Corporation determines working capital as follows: current assets less current liabilities.

Common Share Stock Options

The Board of Directors of the Corporation has granted stock options to its new director appointed on February 5, 2025, on the same terms as those previously granted to the directors and officers of the Corporation. These stock options, expiring in 5 years, allow its holder to subscribe 1,500,000 common shares of Abcourt at an exercise price of \$0.05 per share.

Abcourt Mines Inc.

FORWARD-LOOKING STATEMENTS

Certain information contained in this news release may constitute "forward-looking information" within the meaning of Canadian securities legislation. Generally, forward-looking information can be identified by using forward-looking terminology, such as "plans", "aims", "expects", "projects", "intends", "anticipates", "estimates", "could", "should", "likely", or variations of such words and phrases or statements specifying that certain acts, events or results "may", "should", "will" or "be achieved" or other similar expressions. Forward-looking statements are based on Abcourt's estimates and are subject to known and unknown risks, uncertainties and other factors that may cause Abcourt's actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking statements or information. Forward-looking statements are subject to business, economic and uncertainties and other factors that could cause actual results to differ materially from these forward-looking statements, including the relevant assumptions and risk factors set forth in Abcourt's

public filings, which are available on SEDAR at www.sedarplus.ca. There can be no assurance that these statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Although Abcourt believes that the assumptions and factors used in preparing the forward-looking statements are reasonable, undue reliance should not be placed on such statements. Except as required by applicable securities laws, Abcourt disclaims any intention or obligation to update or revise any such forward-looking statements or information, whether as a result of new information, future events or otherwise.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
